

My Trip to Japan, page 1

I went to Japan in March. My mom, my brother Keitaro, and I traveled on a plane for 11 hours! We went from Detroit to Tokyo. When we got to Tokyo, I saw my grandma, my grandpa and my friends. I also visited my big sister Asami. She is 21 years old. She works on computers. Asami and I played baseball and we played on the playground.

In Japan, I helped my grandma make food. We made special Japanese food. It was so good to eat!

When we had to leave to come back to Michigan, I was sad. I would miss my family and friends. I hugged them goodbye and said I would come back soon!
