“Yes Jack,” Mom said. I slipped on everything that I had to wear. I ran outside. When I was at the top of the hill, I slid down. Then I jumped, flipped, and did a 360. I had the time of my life. Then I went down the to my cottage to have hot cocoa. I asked my mom, “Did you get me on tape?” She said, “Yes I did”. I had the time of my life!
